Hi Joe,  
EPA will be giving the update. Rich Wooster will be there to discuss vision priorities, assessment, listing and TMDLs as well as the Illinois River. Hope this helps.

Taim,  
I just received this meeting schedule from Patrick this morning. Under the TMDL section is the item "Illinois River Model and Lake Tenkiller". Is this DEQ giving EPA an update, or is it EPA giving us an update? I had never heard of this meeting before today.  
Thanks!
